The New Hampshire Department of Transportation announces a combined Public Officials/Public Informational Meeting will be held in Plymouth to review and discuss pavement rehabilitation, parking lot construction, curbing and sidewalks at the intersection of NH 175A and Green Street and proceeding 800 feet south along Green Street.

This work will match to the work in front of the Court House and provide improved pedestrian facilities associated with downtown through a Transportation Enhancement project sponsored by the Town of Plymouth.

The public meeting to display the current concept and obtain input is scheduled for Tuesday, July 22, 2003 at the Plymouth Town Hall, 6 Post Office Square, Plymouth, New Hampshire at 7:00 PM, followed by a question and comment period.
